III. LEGAL ELIGIBILITY AND OPTIONS

Eligibility for Administrative Relief Options:

Section 9.5-122.2(f) of the Monroe County Land Development Regulations and Policy 101.6.1 or the 2010 Comprehensive Plan provides a mechanism whereby an application which has not received an allocation award in ROGO may apply to the Board of County Commissioners for Administrative Relief. The applicant is eligible for Administrative Relief having complied with all requirements of the dwelling unit allocation system and having been considered in at least three of the last four consecutive annual allocation periods and having submitted their application for Administrative Relief no earlier than the third annual allocation period and no later than ninety (90) days following the close of the fourth allocation period.

Relief Options under Administrative Relief:

The remedies available to an application for Administrative Relief pursuant to Section 9.5-122.2(f)(6) include issuance of one ROGO allocation awarded, just compensation by purchase of the property, or such other relief as may be necessary or appropriate.

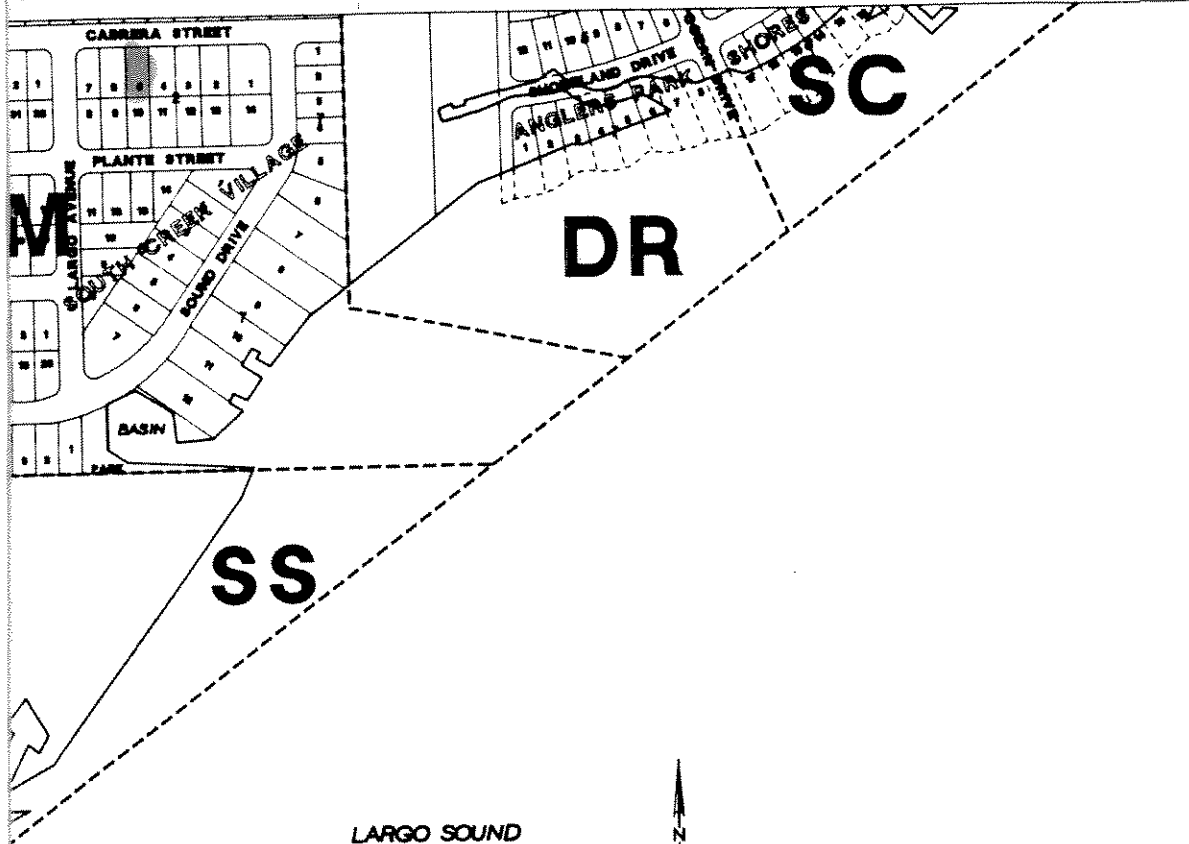

The subject property does not contain sensitive environmental features or any significant habitat for endangered or threatened species. It therefore does not meet the criteria established under the existing Policy 101.6.6 and Policy 102.4.2, or the proposed Policy 101.6.5 of the Year 2010 Comprehensive Plan for the purchase of property under Administrative Relief.

The applicant has requested administrative relief in the form of a granting of 1 (one) ROGO allocation and has not expressed a desire to sell the property to the County as provided for under Policy 101.6.1 of the Year 2010 Comprehensive Plan.

IV. RECOMMENDATIONS

It is recommended that the Board of County Commissioners find that the applicant has met the criteria and qualifies for Administrative Relief. It is further recommended that a Resolution be prepared that establishes this relief awarding one ROGO allocation in the next quarterly ROGO allocation period which closes October 13, 2006, or the next available allocation .
